RESPONSIBILITY
code book
REVISED SECOND EDITION

Deborah Leipziger

576 pp 234 x 156 mm Hardback ISBN 978-1-906093-39-6 List price: £50.00/€75.00/US\$90.00 Published May 2010

The key reference text on corporate codes of conduct is now available in a revised second edition. *The Corporate Responsibility Code Book Revised Second Edition* includes a raft of new initiatives as well as revisions reflecting the improvements made to many others.

WHAT THEY SAID ABOUT THE FIRST EDITION

“an invaluable practical guide”

Sir Geoffrey Chandler

“confusion-busting guidance at its best”

Jonathon Porritt

“This is a mammoth piece of work”

Deborah Smith

“the key reference guide for executives and boards of directors seeking to become socially responsible ... Every executive should have it close to hand.”

Alice Tepper Marlin

“brilliantly conceived and clearly written”

William C. Frederick

“Occasionally, a book comes along and you know this is going to be used again and again . . . What can one say about this book? Nothing really: it is simply a great book of reference and will save us all buckets full of work. *Social and Environmental Accounting Journal*

“There will be a shake-out. Deborah’s timely guide spotlights likely survivors.”

John Elkington

“A much-needed guide”

Mark Moody-Stuart

“promises to make a contribution to rectifying one of the most vexing problems facing business and its stakeholders: bringing order, understanding and value to the complex landscape of principles, norms, standards and guidelines.

Allen L. White

“a timely review of what’s out there and how to decide what is most relevant and helpful.”

Mark Wade

“A key reference book for all corporate responsibility professionals.”

Sustainability Radar

“indispensable for anyone seeking to grasp the complex landscape of the multitudinous tools that measure corporate social responsibility . . . For those who work in the CSR field, having those texts in one place is reason enough to buy the book.”

Ethical Corporation

“a welcome relief for those who are desperate for a ‘one stop shop’ reference to provide the basic information of adherence and compliance in the field.”
